Sir,

I have the honor to report that in accordance with the instructions conveyed in your Docket No. 13238/3892 Dated 27th January 1893, orders have been issued to the Amildar to recover from Mr. J. C. Hunt the sum of Rs 239-1-0, being the amount of assessment fixed at 12 annas per acre including local cess, for five years from Sarvajitu to Khara, on Survey No. 60, in Arasikali, Hassan Taluk. But Mr Hunt is necessary to bring the following to the notice of Government again and accordingly

have the liberty of doing so:—

2 — The land in question is one allotted for the grazing of the cattle free of assessment. Mr. Hunt has been a Raiyat in common with other Raiyats. Although he attempted to enclose the land by means of fences yet, the fence is not finished, and he has not raised any crop thereon. There have been no complaints that he prevented other Raiyats from grazing their cattle in the part enclosed. He is also entitled to the grazing right as a Raiyat. The putting of the fence was noticed only when making enquiries upon the report of the Forester — that Mr. Hunt has unauthorizedly obtained possession of certain other forest land. —

3 — With regard to the lands cultivated unauthorizedly, due notice was already taken and

penalties

penalties very reasonable. The grant of 60 acres, under reference is not of that description. Mr. Kaliedyed Nazeeroodeen therefore appears to have disposed of the matter in not recognising his position. —

4 — Under the foregoing circumstances, I beg to submit that this case deserves reconsideration by Government. —

Sir,

With reference to para 2 of Government Proceedings No 4917 R 238-92 dated 12/17 September 1894, ordering that the portion of Kanal Survey No 10 in the Madihally village of the Hassan Taluk applied for by Mr J. F. Bundy of the Auctioneer estate, may be made available for Cultivation under the rules by sale in public auction, I have the honor to bring to the notice of Government that Mr Vaji Lyer Hassandas by Jamadar reported in his No 11/193 of the 24th June 1892 that, after some correspondence between Mr J. F. Bundy and the Amildar of Hassan, it was decided that Mr Bundy should pay an upset price at Rs 20/- per acre on 14 acres and 11 Gunthas of Survey No 10, and Cultivation rate

made of assessment on the above area from Lanajilo and that the stand also for any Survey assessment on portion of the Kuluadi Grant No 25 (1 Quantar) from Lanajilo to Kilaua (1887-88 & 1891-92). He further reported that Mr J. P. Hunt accordingly on the above occasion paid Rs 377-11-6 which was deposited in the Treasury and that Mr Hunt had planted Coffee in Survey No 16 & 25 (Grant) and pleaded that he was under the impression that they were within his own boundary and that he never meant to encroach upon Government lands.

2. After some correspondence between the Commissioner and the Government regarding the encroachments made by Mr. Hunt on Kuluadi Grant No 25, it was finally decided by Government in their proceedings under above date, that the Kuluadi might be given another piece of land.

3. The reference now made is in regard to 14 acres and 1 Quantar of Survey No. 6, said to have been encroached upon by Mr Hunt which was directed by Government in their order under reference to be made available for Cultivation

under

under the rules by sale in public auction.

4. I have to reiterate what was said by my predecessor Mr. Syed Hasimdeen and Mr. Ramanjee. The latter in his letter No 7-2 dated 21st April 1894 requested that the Government might be pleased to sanction the grant of 14 acres and 11 Cuntas of land out of Survey No. 16 to Mr J. P. Hunt as detailed in this office letter No 11/43 dated 24th June 1892. This letter fully explains the circumstances which led Mr Hajee Syed Hasimdeen to accept and the grant to Mr Hunt. The main grounds appear to have been that it was decided to take the upset price at Rs 20/- per acre on these 14 acres and 11 Cuntas, as Mr Hunt had already planted Coffee thereon.

5. The rule directly prohibiting the grant of Coffee land without public auction was made known by Government in their order No 5535-6/225-93 dated 21st September 1893, which was subsequent to the decision made by Mr Syed Hasimdeen.

6. Under the foregoing circumstances, I request that Government may be pleased to modify para 2

of Government Proceedings under reference and Sanction
the grant of 14 acres and 11 perches and of Survey No. 16
in question, to Mr. J. P. Hunt, on the usual terms
thereon at Rs 20 per acre, has already been measured
from time and the same deposited in Treasury, and
further as Mr. Hunt has already planted Coffee &
has been in possession from the year Fasli
(1887-88), as reported in this office letter No. 193 of
